

# Your company could be part of Creating life-changing opportunities with the Surrey Care Trust

Surrey  
Care Trust  
*changing lives*

## *Support our work with your charitable giving*

You may find it rewarding to make a commitment to a particular area of our work. We can also promise that if you make a general donation, it will be used where it is needed most.

**Pictured top right is Liza Kearney from Aspreva Pharmaceuticals meeting Craig at our STEPS learning centre for young people in Woking.**

## *Encourage volunteering*

Your employees could enhance our work by volunteering on an occasional or a regular basis.

**Pictured centre right are a team from Barclays refurbishing our Swingbridge Community Boat.**

## *Host events and visits*

Do you have space and venues we could use for occasions such as our agm or for fundraising events? A number of companies have hosted visits from young people on our learning programmes to give them a taste of the world of work.

**Pictured bottom right, young people visiting the Rutland Group's Dunsfold Park Aerodrome.**

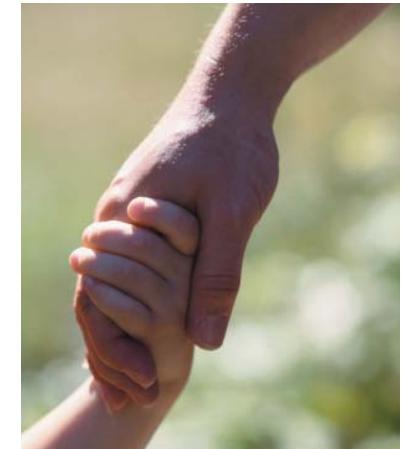

## *Join our Crisis Grants Fund and give an immediate helping hand to local people facing hardship*

Several community-minded Surrey companies give generously to support the Crisis Grants we provide for families and individuals facing hardship in communities across Surrey.

Our business supporters provide a substantial proportion of these much-needed funds. We ask companies who want to join our Crisis Grants Fund to donate around £2,500 a year (once Gift Aid has been reclaimed, the cost is £2,000).

Our current and recent Crisis Grants business supporters include: Andreas Stihl, Aspreva, Belron International, The Berkeley Group, Digital Steps, Dolphin Head Group Holdings, Merrill Lynch, Petrofac, Prelude Properties, Sanofi Aventis, Simple Investments, Sony, Unum and VT Careers Management.

**CAN YOU HELP?** We are always looking for supporters from the business community to support this area of our work. The demand for this very direct assistance, which is given in response to requests from professionals such as social workers and health visitors, increases every year.

## Support our events

Sponsorship of our fundraising events contributes enormously to their success. Events in recent years have included dinners at the House of Commons and House of Lords, the STEPS Across Surrey marathon sponsored walks, our Simply Silver Ball at Wentworth our Golf Days at Merrist Wood, Hindhead and West Surrey and our Ladies Do Lunches.

## Sponsor one of our publications

Our Annual Review, published once a year, gives a comprehensive picture of our work. We also publish our Trust Matters newsletter in summer and winter. Sponsorship of our publications helps us to keep our costs down and puts your name in front of our supporters and partners.

## Take part in a sporting event

We have places available for the British 10k in 2009 and the London Marathon in 2010. Our own marathon of a walk, through the Surrey countryside, STEPS Across Surrey 2009, is on Saturday September 26th.

To find out more about how you can get part of creating new opportunities with the Surrey care Trust, contact **Sally Bartlett** on **07799 715411**, [sally.bartlett@surreycaretrust.org.uk](mailto:sally.bartlett@surreycaretrust.org.uk),
