

About the programme...

STEPS AHEAD is a new and exciting programme for young people aged 16-18. It is delivered in three 4-week sections with learners able to stay until they secure a work, training or educational opportunity. It will be delivered 3-days a week with an extra 2 days for 1-to-1 support and work placements.

Learners will be able to work towards an accredited qualification whilst building skills for the future. The three sections are

- Personal Development Skills – Life-skills
- Preparation for Employment Skills – Getting Work
- Sustainable Employability Skills – Keeping Work

Each section offers the opportunity to work as part of a team and build on previous knowledge and experience. **STEPS AHEAD** is a learner led programme that gives individuals the chance to develop a unique and enjoyable course that is delivered at a pace that suits their needs.
