Duck Race 2009

of the Surrey Care Trust

Stop Press! Duck wins race

The Surrey Care Trust held its annual Duck Race with its team of 2ft long yellow plastic ducks in Guildford at the end of June. It's become a tradition for generous local companies to back the competitors in this race along the River Wey.

The Trust is particularly appreciative of the support of Guildford-based accountants, business advisers and consultants PKF, who sponsored the event which is expected to raise £2,500.

The supporting companies included Lexis Nexis, Wellers Auctioneers, Runnymede Homes, the Wates construction group, Dunsfold Park, Russell-Cooke Solicitors and Prelude Properties.

The winning duck was sponsored by Wates, who receive the Duck Race trophy, followed by Runnymede Homes and Lexis Nexis hot in pursuit for 2nd and 3rd place.

The annual competition also included a best dressed duck competition and the winner, chosen by Councillor Marsha Moseley Deputy Mayor of Guildford, was 'Ducktor Spock' a tribute to the recent Star Trek movie, created by Russell-Cooke Solicitors.
