The scene is set for the Surrey Care Trust's sponsored firewalk 2010 as flames lick against the darkness of a chilly and damp March evening.

The blaze falls back, leaving a red hot bed of glowing embers radiating welcome heat to warm the gathered crowd of onlookers and supporters.

Then out came the walkers on a wave of positive thinking after their training and empowerment session organised by the professional specialists who stage this spectacular event for us.

It takes only seconds for each walker to cross the 20ft-long fiery path but the glow of satisfaction and sense of personal achievement leaves them on a bubbly high of excitement all evening.

And it was a great evening of fundraising for the Surrey Care Trust as we will have made at least £2,000 from everyone's sponsorship, to support our work.
