

# Volunteering opportunities

Enjoy being outdoors and active?

Like working with people?

## Why not JOIN THE VOLUNTEER CREWS on the SWINGBRIDGE COMMUNITY BOATS?

Volunteers can be active with Swingbridge all year round, helping crew our boat trips or taking part in riverside environmental work.

We need more volunteers to train to skipper the boat and to work alongside offenders who join Swingbridge to serve their Community Payback sentence.

Volunteers play a vital part, encouraging and motivating the rest of the team.

Training is provided and volunteering with Swingbridge can lead to qualifications through the Open College Network:

Complete Crew Course – Level 1

Certificate in Community Boat Management – Level 2

Level 1 Units on Environmental topics

For more information contact our Swingbridge programme manager Margaret Reeder at the Surrey Care Trust, 1 Old Elstead Road, Milford, Godalming, Surrey GU8 5EE.
